BETWEEN

THE JAPAN PHOTOVOLTAIC SOCIETY & THE KOREA PHOTOVOLTAIC SOCIETY

DATE: NOVEMBER, 14<sup>TH</sup>, 2022

This memorandum of understanding ("MOU") is made between the Japan Photovoltaic Society ("J-PVS") and the Korea Photovoltaic Society ("KPVS").

J-PVS and KPVS are hereinafter referred to collectively as the "Parties" and individually as a "Party".

## 1. Purpose

For the mutual collaboration of the two societies in the field of R&D, J-PVS and KPVS enter into the following MOU

## 2. Forms of Cooperation

Within such fields as are mutually acceptable for the parties, the following forms of cooperation, amongst others, may be pursued hereunder:

- ① Cooperation to benefit members of both societies such as providing a joint membership
- ② Cooperation for academic exchanges such as joint seminars and workshops
- ③ International collaboration of academic research and education

## 3. Other issues for mutual benefit

Additional agenda or special activities can be agreed separately and are to be established in separate written agreements, by stating the respective rights and obligations of the Parties.

## 4. Commencement, Renewal, Termination

This MOU will be effective from the date of signing of both parties and will remain in force for two (2) years. It may be renewed at each end of the two-year-period as may be extended further by written agreement. Either party may terminate this MOU by giving six (6) months' prior notice in writing to the other party.

This MOU has been drawn up in two (2) original copies in English, each party receiving one duly signed copy hereof.

Signed on behalf of J-PVS:

Prof. Noritaka Usami  
President, J-PVS

Signed on behalf of KPVS:

Prof. Jae-Joon Lee  
President, KPVS
